let's make those the exception, but post a sign saying that we don't accept small quantities and let them tell us it is intent to distribute. make sense?

Julie, We might not want to refuse any VM's right now, because the cops may say they are for intent to distribute. Hopefully they will only bring in those smaller items that are going to be charged as intent to distribute. CBS

thanks. Might be a good idea to make a sign for the evidence window stating that we do not accept samples of marijuana less than 1 ounce.
